Wall Mount SF680P

Mount for Sharp/NEC Large Format Displays

Universal XX-Large flat wall mount for Sharp/NEC displays from 65" to 98".

The SF680P universal flat wall mount delivers an ultra-slim profile designed to hold large displays up to 158 kg. Installation and maintenance are made easy with the SF680P's robust feature set. The mount's built-in kickstand holds the display safely from the wall during cable routing, while the open wall plate allows for increased electrical and cable management options. Horizontal and vertical display adjustment allow for quick fine-tuning of the mounted display.
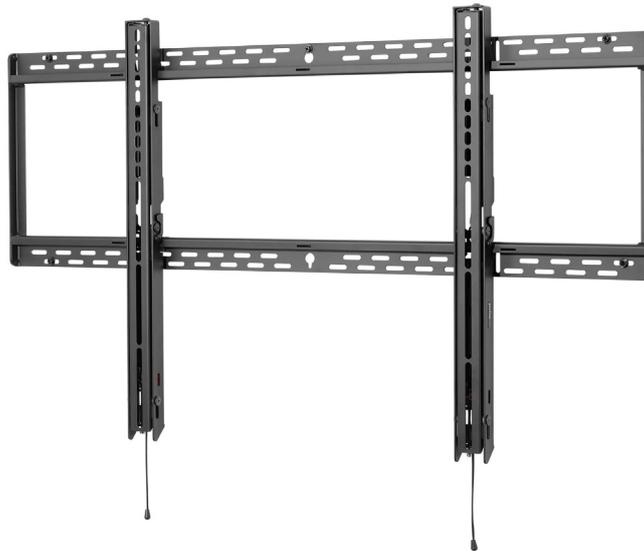

Benefits

- **Wall plate installation made easy** – wall plate allows a bolt to be pre-installed.

- **Low-profile design** – for a sleek, yet compact installation.

- **Flexible installation** – with post-installation vertical adjustment.

- **Easy access and maintenance** – quick-removal draw strings for easy access and maintenance to back of displays.

- **Complete shipping content** – fastener pack with all necessary mounting and display attachment hardware included.
